Charlene,  
Here are all the summary data tables. Many of these you have already, however the indoor and outdoor air tables were updated with yesterday's data. Today's data has not yet been input into the tables, nor will the raw data be delivered until this evening.

Michelle Rogow  
On Scene Coordinator  
USEPA Region 9

Attached are all the tables for you that are updated as of 7-06-2016 . Please let me know if you have any questions.

Thanks,

Jon
